1. There are two Soviet advisors near Tuyen Quang (105-11, 21-48). One is a technician who has developed bazookas which are manufactured locally. The other is ostensibly a teacher in the Viet Nam School for Diplomatic and Consular Representatives.
2. This school is 35 miles north of Tuyen Quang. The 125 students attending the school are taking a two-year course which includes studying English, Chinese and Russian, political economy, international law, geography, history, commerce and mathematics. These students are being trained to be the future diplomatic and consular corps of the Viet Nam Republic.
